Grand Knight News

Brothers,

We have had good attendance at the last couple business meetings. Our new members recently making their degrees have been coming in with great ideas to revitalize the council. These ideas along with work that is going on around the hall, lead by the home company, are making a real difference in the hall appearance and the attitude. We are planning for some fun times at the hall this summer so please look at the calendar of events in the Knight Writer and join in on the fun.

Thanks to the Home Company for the effort to tear out the old insulation in the walk in and for re-insulating it. This job was well over due and I'm sure no fun but needed none the less. It's nice now knowing that we are much cleaner and safer for your efforts. Also thanks for working on getting the new grill ready for the season. Now that we have the new grill and it's hooked into our gas supply we will save money on those pesky small tanks of gas. Thanks also to Dan Dadosky and Paul Richards for putting the grill together.

Thanks also to Paul Kowalak for cleaning up the pool room. The pool cues have tips

and the table is ready for action. Paul also cleared the stuff from the rest of the room and you know he found that we have a shuffle board table that is also in need of players. Come down and join in on the fun. Thanks again Paul for a job well done.

We are also in the last stages of selling Ohio Charity Raffle Tickets so please come to the hall and pick some up to help reach our goal. We need to sell 435, \$5.00 tickets to reach our goal and get our rebate. This is a good fund raiser for the council but we get nothing in the form of a rebate if we don't reach our goal. PLEASE HELP SELL THESE TICKETS. The first turn in to the state is April 10th. Please try to sell as many tickets as possible and turn them in at the next business meeting on Monday, April 5th. Your help is greatly appreciated.

Also Tim Meyer will present another fund raising idea at the monthly meeting. It's an entertainment book that sells for \$20 but the return to the council for each book is substantial. We will be looking at selling these as well and I'm sure our members will want to have one for themselves and as gifts. Lots to talk at the meeting so please try to attend.

I look forward to an outstanding year for the council and hope that many of you will come join us as we put the council back on the map as the leading council in the state. We have much to offer so please spread the word and lets grow together!

Fraternally Yours,

Tony

Council News and Activities

. The council will try to save money by having the members use the Internet for reading the Knight Writer. If you are having problems getting the Knight Writer on the internet or have no computer, come to the meeting or call us.

Derby News

DERBY DAY at Moeller, May 1, 2010.

Doors open @ 3:00, race should go off @ 6:00.

We ask each family to bring a covered dish to share, council will provide burgers and dogs on our NEW grill.

Paramutual betting will be available. Split the pot, corn hole, horse shoes, will also be a part of the festivities.

Please spread the word to all members and especially to the new members.

Golf League News

Dear players, the golf league play will start on April 21. Teams have been formed with several new players joining the league this year. Most notably is the league president has been bumped from his former team for a younger player. It seems Wes Dadosky has brought in a ringer from his old school days to make

some significant noise. The president will watch from the side lines but rest assured, he will inflict significant damage during subbing. Cost is expected to be the same as last year so that will be around \$320.00. Definite costs will be announced at the league meeting on April 9th at 7:00 p.m. at the hall. \$100.00 is the start up cost per player so we can take care of the course as need be. I hope to see all of you there at the meeting so we can start off as smooth as possible. We will discuss the sub situation again and hopefully come to a resolution on this.

Fraternally yours,

League President Mike Dadosky

BOWLING NEWS . . .

The state bowling tournament this year was held at the SouthWyck Bowling Lanes in Toledo, Ohio on March 6,7. Moeller had about 15 council members that participated. But no news was reported on the outing. I wonder why that was. Could it have been they did soooo bad they couldn't bare to tell us or what? We all know the bowling chairman had plenty of time to get an article in the Knight Writer. Maybe he needs a little embarrassment to do a better job next time.

Home Company News

Our last home company meeting was held on 3/22/2010 Below are some of what we discussed. Our next meeting will be on 4/26/2010 at 7:00PM.

* The building is scheduled to be painted starting the last week of April. The color is yet to be determined but Mike Dadosky said he likes pink.

* We now have a new gas grill. We may elect to enclose it in concrete block but we are not sure of the cost yet. Either way we have something really nice to cook on now.

* The roof will be replaced this spring and we had a long discussion as to how we are going to do it. We have quotes from \$11,000.00 to \$22,000.00 to do the job but at this time we only have \$6,500.00 set aside for the roof. At this point we are going to do the job with a combination of a roofer that we will pay and volunteer members. If anyone is interested in helping contact Tim Meyer or Tony Russo.

* A big thanks to Mike Dadosky for heading up the walk in box project as well as those that helped, thanks again. Yes it is pink.

* We are going to build a new sign by our entrance. This is something that we are working with the township on, they are pretty touchy about signs.

* We also talked in length about fund raising. The projects mentioned here as well as others require money that we don't have.

It is good to see more people getting active again and the more the better. Paul and Adam said that they are looking for challengers on a game of pool or shuffleboard on Friday nights.

Tim Meyer
HC President

Family Fun and Activities

Friday nights are open night at the hall. Bring the family and enjoy some fun. Bring your dinner and your friends and share a good time. The council has a new Jungle Gym set for the kids in the yard outside. The weather has been looking mighty fine lately.

Moeller will hold it's Spring Golf Scramble on June 6th at AJ Jolly Golf Course. Please look at the web site for more information. We really want to make this a big event. We are looking for more groups to play and we are also looking for hole sponsors. Hole sponsors can help raise some much needed funds for the projects around the council. For more information on hole sponsorships and on the outing contact Tony Russo at 513-543-8017 or Mark Braun at 513-324-1840. A copy of the golf flyer is on the web site. There will also be copies at the hall.

REMEMBER IN YOUR PRAYERS

Prayers of Peace for Brother Knight Brad Gebhart who passed away last fall. Also remember in your prayers Bob Justice, Jim Powers, and Ernie Richards. We may have missed some people since the last Knight Writer. Please forward all names of members who are in need of prayers to Tony Russo.
