Grand Knight News

Dear Brother Knights

I first want to thank all those folks who helped make the holidays even more Spectacular than normal ! The work that we do with all the projects went off with out a hitch and its all because of you!! Please thank each of brother knights and their family's for a job well done! Special thanks to Lori Dadosky taking care of the Nativity scene.

I want to thank all the members who attended the February business meeting. We had a great meeting and I look forward to increase the numbers at the March meeting.

We talked about our success to date and also about many projects that will take place in the next few months. Please stop by the hall so we can discuss in more details the dates and time for the upcoming events. We can share our stories of the past year and have a few laughs.

If there are questions on the upcoming events please look at the calendar and if you don't get the information call the hall or me at 543-8017. your help is appreciated. Thanks everyone with out you we would be lost. Thanks again.

Tony

Council News and Activities

. The council will try to save money and time by members if we use the Internet for the Knight Writer. If you are having problems getting the internet knight writer or have no computer, come to the meeting or call us.

Golf league will start April 21st. The cost will be about the same as last year. We may need a few more subs. Please call Mike Dadosky at 474-6774 if you are interested. The golf fund raiser will be about the first of June. The ground hog saw his shadow but spring is just around the corner, which brings something else to my mind. We need a new roof on our building, shingles, you know. The things that keeps the rain out. Someone said that it's very expensive then it was suggested that the members could do the work without any problem yea right. So get out your band aids and hammers and text books and let's do it.

There are so many projects that need our attention, maybe we should start with clean up the council hall. We are looking for volunteers. (HELP). Saturdays are the best for this project.

The walk in box will be insulated thanks to the hard workers. Its going to be better than ever.

A new grill will be purchased. Natural green gas is going to be used instead of the usual propane. Sounds like a winner.

There will be a Corn Hole Tournament on March 13, 2010 at 7 pm. Doors will open at 6pm. If you are playing be at the hall by no later than 6:30pm. This is the kick off to

the Measure Up Campaign and will be a blind draw again. Cost will be \$5 for beer and pop and \$3 to get into the tournament. The Measure Up Campaign raised over \$4700 in 2009 and Moeller K of C ranked 16th in the state for collections. Way to Go Moeller. Let's keep it up and Thanks to all who contributed.

The Mt. Washington Tower Lighting was a big success again in Dec. 2009 thanks to Mike Dadosky and the Kroger Company. Except for the shortage of buns. But it didn't seem to make much difference. The crowd enjoyed the free hotdogs anyway. The lights will need to be taken down in March. Look for further details to come or please call Mike at 474-6774 and leave message that you can help with this.

Water Tower Trivia:

The simple design of the water tower was first built in the late 1930's . . . and it didn't work. (Do you think Joe Z was involved?) It wouldn't hold water because the cement used back then (purchased from China – Just Kidding) would allow water to seep out. Many different types of sealants were used to no avail. In 1940 a second tower was built around the first. This information comes from member Bob Brown of Mt. Washington who was part of the team assigned the task of finding a way to make the first tower work. The knight come to the rescue again.

BOWLING NEWS . . .

The state bowling tournament this year is being held at the SouthWyck Bowling Lanes

in Toledo, Ohio on March 6,7. Moeller will have 15 council members that will participate. I sure hope these guys can bowl – we would hate to see them embarrass our council.. Good Luck guys.

Home Company News

Tim Meyers and his crew of the Home Company along with the Boy Scouts created a fire pit for the scouts to use. Hopefully the Christmas trees that were left from the tree sale are the only trees that get caught on fire.

Family Fun and Activities

Friday nights are open night at the hall. Bring the family and enjoy some fun. Bring your dinner and your friends and share a good a good time. The council has a new Jungle Gym set for the kids in the yard outside. You might want to bring some extra coats for now but hey, what the heck.

Ladies Auxiliary...come back

REMEMBER IN YOUR PRAYERS . . .

Prayers of Peace for Brother Knight Brad Gebhart who passed away last fall. Also remember in your prayers Bob Justice, Jim Powers, and Ernie Richards. We may have missed some people since the last Knight Writer. Please forward all names of members who are in need of prayers to Tony Russo.

RIGHT TO LIFE . . .

Join us at “**THE WAY OF LOVE**” 8TH Annual Lenten Prayer Walk. Palm Sunday March 28, 2010 at 2 pm at the Burnet Woods Bandstand. Join the thousands who have marched over the past seven years as we pray for greater awareness of the gift of life in our society and repentance for those supporters of the abortion industry and their clients.
